Summer Camps and Social Groups 2022

Techkidz Our Multi Activity Technology Camps are for children ages 7 – 14 years. All children will learn the basics. There is a big emphasis on creativity and most children will get to design and make their own T-shirts and Rulers. All children will be introduced to coding, programming and game development. They will also learn to design and create their own computer games including characters, backgrounds and sounds. Children will have fun learning Animation and Robotics. Older children will get to experience 3D Design as well as Coding using a Raspberry Pi. Some children will get to design their own website and everybody will get to do lots of activities in Minecraft. Summer Camps - Techkidz

PLEASE NOTE - Aspire are not organising these summer activities or summer camps. If you have any queries about the information provided you can get in touch with us on info@aspireireland.ie or link in with the organisation providing the specific service.
